

April Showers bring May flowers...

And lots and lots of kittens!

Every Spring and Summer, rescues are overwhelmed with kittens that depend on humans for love and care. Many of these kittens will require weeks of foster care and lots of medical care to grow up safely and prepare for adoption. You can help give them (and their puppy, bunny and piggy counterparts) a happy, healthy start to life!

To get ready for kitten season, Loch Moy Farm is inviting you to a Kitten Shower to support our local foster and adoption programs! During the month of April, you can help by dropping off your donations by the Secretary's office.

Supporting

**Barn Cat Buddies and
Frederick County Animal Control
and Shelter**
